

A dark blue, circular illustration with a swirling, vortex-like center. Scattered around the center are various elements: playing cards (including a 9 of clubs, a 6 of clubs, a 4 of hearts, and several checkered cards), a pocket watch on the right, a teapot at the bottom right, a rose on the left, and a silhouette of a girl in a dress in a golden frame at the top. The overall style is whimsical and surreal.

# ALICE IN WONDERLAND

The team prepares for an event inspired by "Alice in Wonderland", full of challenges and creativity. Participants must upload a photo on the theme "Follow the Rabbit" to kick off the event. Next is a psychedelic brainstorming session to create micro-podcasts about their vision of "Wonderland at Work". They'll build decorations and take photos in an "Eat Me Cupcake" scene and create recycled hats in "The Mad Hatter" challenge. They'll learn to make cocktails in "Drink Me" and film their own music videos to Lady Gaga's "Alice" in "The Mad Tea Party". They'll mask a team member in "Whose Grin?" and personalize playing cards for a giveaway in "10... 9... 8...". They'll create the quirkiest mini-golf club in "The Crazy Game" and decorate and eat a cake as the final reward.
