

The background is a collage of vintage film-related items. It features several large film reels in various colors (orange, gold, white) and sizes. There are also smaller film reels, a camera, and a typewriter. The overall aesthetic is nostalgic and cinematic.

# Classic Hollywood

In the "Classic Hollywood" event, participants engage in activities reminiscent of the golden age of cinema. They start by sharing favorite scenes from classic films and adding humorous voiceovers to them. Then, they imagine and create titles, posters, and trailers for their own classic film. They choreograph a short musical number and construct a Celebrity Media Wall for their film premiere. Finally, they celebrate with a Hollywood-themed party, fostering camaraderie among all participants.
